

Educators' programs are closed during the listed state holidays and professional development days.

However, educators may choose their own flex days to close their programs. As such, the flex day closures for educators will vary from one educator to the next.

Los programas para educadores están cerrados durante los días festivos estatales y los días de desarrollo profesional enumerados.

Sin embargo, los educadores pueden elegir sus propios días flexibles para cerrar sus programas. Como tal, los cierres de días flexibles para los educadores variarán de un educador a otro
